In re Application of :
Harrold et al. :
Application Number: 10/563,121 : ON PETITION
Filing Date: 01/03/2006 :
Attorney Docket Number: 250152- :
1820 :

This is a decision in reference to the PETITION TO WITHDRAW
HOLDING OF ABANDONMENT UNDER 37 C.F.R. § 1.181, filed on February
21, 2011.

The petition is granted.

This application was held abandoned on November 8, 2010, for
failure to timely respond to the Notice of Non-Compliant
Amendment (37 CFR 1.121) "Notice" mailed on October 7, 2010,
which set a one (1) month shortened period for reply. No reply
having been received, Notice of Abandonment was mailed on
February 15, 2011.

Petitioners' registered patent practitioner, Daniel R. McClure,
asserts that the Notice mailed on October 7, 2010 was never
received. A copy of the docket report and file jacket where the
non-received Notice would have been docketed and entered had it
been received have been supplied with the petition. Petitioner's
counsel further asserts that no master docket exists.

A review of the record indicates no irregularity in the mailing
of the Notice mailed on October 7, 2010, and in the absence of
any irregularity in the mailing, there is a strong presumption
that the Notice mailed on October 7, 2010 was properly mailed to
the address of record. This presumption may be overcome by a
showing that the Notice mailed on October 7, 2010, was not in
fact received.

Petitioners have made a sufficient showing that the Notice mailed
on October 7, 2010, was not received.

Accordingly, there was no abandonment in fact. The Notice of Abandonment is hereby vacated and the holding of abandonment withdrawn.

As a response to the Notice mailed on October 7, 2010 was filed with the subject petition, there is no need to remail the Notice mailed on October 7, 2010. Rather the application is referred to Technology Center Art Unit 2622 for further processing.
